

# Midori Bowen

I am currently a student at [Epicodus](#). I began by tinkering with HTML and CSS and started learning in earnest at Epicodus after a family member encouraged me to apply. I love TDD/BDD and pair programming. I am excited to learn more about Android and Agile methodologies.

## EDUCATION

### **Epicodus**, Portland, OR — *Web and Mobile Development*

JANUARY 2016 - JUNE 2016

- Built web and mobile applications from the bottom up using TDD, version control, and OO programming principles
- Programmed in Java, JavaScript, and Java for Android
- Utilized Spark and Ember.js frameworks
- Integrated databases (PostgreSQL and Firebase) and utilized external APIs (e.g. Google Maps, [Absolut](#), [Sunlight Congress](#))

### **Beloit College**, Beloit, WI — *Bachelor of Arts*

AUGUST 2007 - MAY 2011

Major: International Relations

## EXPERIENCE

### **Solalla Web Services**, Toledo, OR — *Web Development Intern*

MAY - JUNE 2016

- Primarily self-directed remote work on an AngularJS admin app to facilitate quality control for a fisheries information system
- Tools used: Grunt, Yeoman, Bower, [Underscore](#)

### **Truman College**, Chicago, IL — *Tutor*

JANUARY 2013 - AUGUST 2014

- Tutored and advised 15-20 diverse ESL, GED, and credit students per week in College Success, grammar, writing, pronunciation, and reading, with an 82% retention and 63% success rate

### **ONE Northside**, Chicago, IL — *Organizing Intern*

JUNE 2012 - AUGUST 2012

- Developed relationships with 100 community members and trained 20 leaders on outreach and strategy
- Coordinated a city-wide campaign on TIF (Tax-Increment Financing) reform alongside other organizations in a coalition
